Create Your Giving Plan

Define Your Why:

- **Why is giving important to you** (values of faith, gratitude, desire to help others, personal experiences, etc...)?

Identify Who You'll Give To:

- **List 2-4 categories or organizations** (church/place of worship, charitable organizations (local/global), individuals/families in need, community causes (schools, shelters, etc...)). **List the names of these entities, if you know them.**

Decide Your Giving Percentage:

- Determine the total % of income you want to give: _____%

Break It Down:

Example:

Category	% of Giving
Church	<u>80%</u>
Wounded Warriors	<u>20%</u>
TOTAL	100%

Category	% of Giving

TOTAL 100%
